ZEP Vibes

November 2023

President's Corner

October was a busy month and also an exciting one. First, as a part of our goal to stay healthy, I challenged the Sorors to walk 31 miles in support of Breast Cancer Awareness month. Secondly, we hosted our bi-annual gala to a max capacity crowd where this year's theme was "Harlem Nights". The decorations were fabulous! During the gala, we provided a check to the Executive Director of Student's Without Moms (SWM) to help the organization continue the support they provide for students to keep them in school. And finally, we were able to provide school supplies to a lucky teacher and his students. I want to recognize the Sorors of Zeta Epsilon Pi for their outstanding work. It is because of their tireless efforts as well as the contributions of their valuable time and talents that we continue to succeed.

As we enter the holiday season, we generally look forward to spending time with our families and fellowshiping with one another. If you find yourself alone, phone a friend or call your sister-girl. 🎵 *Call on me sister, when you need a hand, we all need somebody to lean on...* 🎵

Sincerely,
Madam Founder Reisho, President
