

## Zeta Epsilon Pi Military Wives Sorority Inc. ZEN Vibes January 2024

## **President's Corner**

Happy New Year!

What an exciting time to be alive! A new year brings new beginnings and the ladies of Zeta Epsilon Pi Military Wives Sorority, Inc. are eager to get back to business with our community service projects. This year, we embark on our 6th year of serving in the community. We are focusing on fellowship and engagement activities for our Sorors in addition to traveling to new destinations to expand our support of women and children who need us. Consider this, each day is a gift, that's why it's called the present. Tomorrow is a mystery! Live your life and reduce the strife. Enjoy your family! Go out and make it a great year! Positive vibes only!

Cheers to making more cherished memories in 2024.

Sincerely, Madam Founder Reisho, President

@ZetaEpsilonPi

## **Other Noteworthy News!**

Bringing in the new year, we also recognize Soror Poise, who joined ZEII in the Spring of 2023. When asked where she is from, she shared that she is an Air Force brat. So technically, she is from everywhere! lol

Soror Poise joined Zeta Epsilon Pi to help carry out the mission for community service. She believes "partnering with organizations and becoming their hands and feet is pivotal to their success all while feeding our own souls!" She and her husband, Brother Artificial Intelligents, have been married for 11 years. And says that "living life to its fullest" is what motivates her. She further states... "There is no moment to spare! Make all moments matter! Be intentional!"

We are now on YouTube! Be sure to follow us on any social media platform.
