

Presidents Corner-

Happy New Year!
Welcome to the Presidents Corner! As your newly elected President, I want to share a word of encouragement to or Sorors, family, friends, and supporters. This year, we embark on our 5th year of serving the community. We are focusing on women's health, financial wealth and enriching our families. In 2023, it's all about "WE!" I look forward to the great things in store for the ladies of Zeta Epsilon Pi. Even when we struggle, we succeed! It's the lesson that adds value to what we learn.

Remember, everything you do comes back to you. Do good, be good!

Something is coming into your life, that will change everything in a very positive way.

Sincerely,

President, Madame
Founder Smith

Veterans Outreach

An estimated 2000 veterans throughout the state of Georgia have little to no access to the resources they need for a daily living. There are a number of invisible factors such as PTSD, substance abuse, anxiety and depression that can lead to homelessness. The Veterans Empowerment Organization has several resources available to assist with this matter.
