## HAPPY HOLIDAYS FROM OUR FAMILY TO YOURS!

### **Sister, Please Hold My Hand Author: Unknown**

Sister, please hold my hand  
As we journey through this land  
Together we stand, together we will fall  
No matter what, God will keep us together  
That will be the best of all  
Sister, please hold my hand  
Because without you I can't stand  
For we were put on this earth for a reason  
To go through every good and bad season

Sister, please hold my hand  
As our strength together builds each other to become strong  
So that our love for each other will last long.
