

# ZEN Vibes July 2023

## President's Corner

Hey ladies, we did it again! In June we celebrated the birth of four new sisters into Zeta Epsilon Pi Military Wives Sorority, Inc! The family support and the love that was shown during the Spring 2023 crossing is the epidemic of what ZEP stands for. I want to send a big shout out to the brothers of Kappa Lambda Chi Military Fraternity, Inc. for their never-ending support of the Zeta Epsilon Pi organization. The LOCs were in full force and represented during the ZEP spring crossing and you can tell how much they love their wives. Way to go brothers! Thank you for your support.

If you want to be a part of something big, come on over to the fuchsia side. You will be glad you did!

Madame President Smith
