

# ZEN Vibes August 2023

## President's Corner

Hey ladies! We have been busy this year! We continue to focus on our 3-fold motto to improve physical health, increase financial wealth and improve family relationships.

Last month we climbed Stone Mountain as one part of improving our physical health. We delivered for Meals on Wheels, and hosted a popcorn fundraiser, our biggest yet! During August, we will have our family fun day to help as we increase our family relationships. The sisters of Zeta Epsilon Pi continue to grow and develop and build upon the foundation that celebrates family, health and finances.

If you want to be a part of something big, come on over to the fuchsia side. You will be glad you did!

Madame President Smith
